

THE PITCH DECK FRAMEWORK

The Hook

- What's your story?
- Why do we care?
- One powerful sentence to capture attention.
- This is your opening - make it clear and compelling

The Problem

- What's the problem you are solving?
- What is the pain for the customer?
- Who is it for (Target Audience)?
- Why are current solutions not working?
- How big is this problem (market opportunity)?

The Shift

- Turn the problem into possibility.
- But what if there was another way....
- One sentence to lead into Solution.

The Ask

- What EXACTLY do you want?
- Investment, Support, Mentorship.
- Be specific.

The Proof

- Early Customers.
- Research and Testing.
- Team members and knowledge.
- Revenue.
- Growth.
- Major Goals or Achievements.
- Partnerships.

The Solution

- What do you do?
- Clear, simple, no jargon.
- How does it solve the issue?
- Why is it better?
- How will you make money?
- Audience must be able to describe your solution after your pitch.

The Pressure Test

- Business Model / Costs.
- Marketing Channels.
- Competitors / Unfair Advantage.

- Key numbers.
- Protection (IP, Patent, Trademark).
- Why now?
